Dear Customer,

Thank you for your interest in Marlton Driving School. Enclosed you will find a contract and Student Learner's Permit Application. To get things started We will need you to fill out and return to us: both sides of the Permit Application, the contract, Original US Birth Certificate (with raised seal or US passport), and ten dollars cash or check made payment to NJMVC, for the purchase of the permit at the Division of Motor Vehicles. Once the permit is obtained, we will get back to you as soon as possible to set up the first driving lesson. The birth certificate will be returned at the conclusion of the 6 hours. If you have any further questions, please feel free to contact us. The \$365 for the lessons is due the day of the first driving lessons. When everything is ready, you can mail or drop off the papers. We are located above Rita's Water Ice on Rt 70 in Medford. There is a locked mailbox on the deck.
